## ALLOWANCE

### *Response to Amendment*

1. Applicant's amendment was received on 11/28/05, and has been entered and made of record.

### *Drawings*

2. The corrected or substitute drawings were received on 11/28/05. The drawings are acceptable.

### *Allowable Subject Matter*

3. **Claims 9-17, 19, 20, 34 and 35** are allowed. These claims will be renumbered as 1-13.

4. The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest the limitation for an image processing apparatus comprising two different synthesis means for synthesizing the objects and the object type information wherein the synthesis of the first and second synthesis means are inhibited upon receiving an inhibition command of the synthesis process.

Some of the prior art related to an image processing apparatus comprising the two synthesis means are cited and detailed below which fail to teach the features identified, in combination with other claim limitations.

Nguyen (U.S. Patent No. 6,377,354), as previously discussed in the Office Action dated 8/25/05, discloses an image processing apparatus comprising two different synthesis means for synthesizing the objects and the object type information. However, Nguyen does not disclose means for receiving an inhibition command for inhibiting the first and second synthesis means. Further, Examiner does not find any suggestion/motivation from the prior art of record for incorporating the method for inhibiting the syntheses upon receiving the inhibition command.

Matsukubo (U.S. Patent No. 6,504,949) discloses an image processing apparatus for merging two different data objects. However, Matsukubo does not disclose means for receiving an inhibition command for inhibiting the first and second synthesis means.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
